

TRINITY'S VISION

OPENING MINDS

Believing that all are part of God's Good Creation,
we of Trinity United Church,
through listening, communicating, and learning
seek to hear voices other than our own;
risk the possibility of being changed;
strive to live out God's Love, Justice and Peace with others.

OPENING HEARTS

Believing that we are called to embody God's Love for all
as revealed to us in Jesus, and grounded in that Love,
we of Trinity United Church
willingly risk being vulnerable, strive to love all others,
and open ourselves to receiving love from others
by being unlimited in our mercy, compassion,
and respect both for others and for ourselves.

OPENING DOORS

Believing that Trinity United Church
is a House of God for All People,
we receive and extend God's Hospitality
by welcoming and valuing all,
by striving to make our facilities barrier-free,
by reaching out to those who cannot come to us,
by providing space for community groups who need a home,
and we live into God's Ministry by maintaining community
both within and beyond our walls.
